New Lexington FFA Traveled To Indiana For National Convention

The week of October 23 the New Lexington FFA Novice Parliamentary Procedure Team as well as the Meats Evaluation Team traveled to Indianapolis, Indiana to compete in the FFA National Championships. Both teams left early on Tuesday morning and returned late Friday night. The Novice Parliamentary Procedure Team competed on Wednesday and Thursday. They advanced to the semi-finals because they placed top 10 in the nation. They were very close to placing within the top 4 but were defeated by a small margin. We are extremely proud of them for receiving a gold rating. The Meats Evaluation Team placed 22nd out of 43 teams in the Nation. This placing earned them a silver rating. We are very proud of them for their hard work and dedication. The New Lexington FFA Chapter would like to thank all of their sponsors for making this wonderful trip possible. These sponsors include: Wohlr's Carry Out, IBI Engineering, Orange and Black Boosters, Ridge View Farms and Welding, Connie Agriesti Educational Trust, Kern Marble Granite, Grannies Cooked Delivered Meals, Wentz Insurance Agency, Sue Denny, Mitzi Goodfellow, Safelite Auto Glass, Phillip's Meat Processing, RCCP Electrical & Lt. Const. , Power Lines Electric, Estep's Towing & Recovery, DKR Builders, Donut World, Business Systems Solutions Inc. , Funk Welding & Fabrication, ELKS Lodge B.P.O.E. #509, Greg and Susan Canan, and ARS. We appreciate all of your support!

College Application Day

On October 27th, seniors participated in New Lexington High School's 4th annual College Application Day. College Application Day is a state-wide initiative with the goal to help all graduating seniors navigate through the college application process. It is our goal to assist each student and ensure that each student submits at least one application to the college of their choice.

Having a day gives seniors the opportunity to have assistance from school officials, counselors, college admission representatives and parents as they apply for admission. This year our volunteers included representatives from Ohio University Zanesville, Hocking College, Zane State College, and Tri-County Adult Career Center. Counselors and English teachers were also on hand to answer questions. Together, we hope to ensure that students receive assistance as they take the first big step toward continuing their education after high school.

Seniors: Cassandra Sloan, Katlin Hill, Jerilyn Kunkler, Carlee Whitlatch, and Anna Mohnler

Seniors: Jacob Williams, Brooke Guisinger, and Madisyn McNulty

Junction Highlights

Closing out the first quarter at JCE is encouraging. With intervention and enrichment groups in place, students are receiving assistance that leads to success.

GO MATH

Students are striving in math, beginning their 2nd chapter and starting to practice their test taking abilities online. Students receive intervention in Reading and Language multiple times weekly. Lots of great reading selections are offered to boost reading levels and to improve writing capabilities. As students completed their photosynthesis unit, they shared by discussing ecosystems and completing projects and now are moving to learn about symbiosis in the upcoming weeks.
